SATURDAY EVENING SEPT. 14, 1901

THE CZAB'S RECEPTION.

The place for the military part of the Czar's reception in France indicate that it will be the most splendid show of its kind ever seen on the continent of Europe. When next Thursday the Ozer goes to Witry, nine miles from R-ims, he will see a great cham battle which will lest for four hours. Thirty thousand men will hold the line with three firsts and will endeavor to defend Reime from an attacking force of 120,000 which will deploy from the wood. The cavalry will lead the attack. tack. The brunt of the attack will be directed upon the middle fort, after which, after a long cannonade and a long which, after a long cannonace and a long and gallant resistance, it will fail. The Czar will watch the fight from Fort Witry. After the battle President Loubet will invite the Czir and all the

officers to lunch.

Oa next Saturday, 150,000 men will form a great hollow square upon the plain five miles outside of Beims. The Czır and President Loubet will ride Car and President Loubet will ride about and inspect the troops and then reture to an imperial pavilion especially erected for the occasion. Then the troops, closely massed, will march by in divisions of 15,000 each, their parasge occupying four hours. The whole force will be accompanied by banners, bands and all possible accompaniments of a military show. It is expected that half a million spectators will be attracted in a great circle across the stretched in a great circle across the fields to see the review. The French railroads are borrowing cars from all over Europe to transport the crowds. Three trains will leave Paris every ten minutes during the day for Reims, and minutes during the day for Relms, and also from other places. The stories of precautions which are and will be taken by the police during the Czar's visit are exaggerated except those referring to the extreme care that will be exerted in the immediate vicinity of the Czar.

MEDICINAL. MEDICINAL. Digests Dyspepsia Cure

A powerful engine can't be run with a weak boiler; and you can't expect to keep up the wear and strain of an active life with a weak stomach. Our boilers, or rather our stomachs, can't be replaced, and we cannot stop the human machinery while making repairs. But when the stomach is unable to digest enough food to keep the body strong, we can use such a preparation as Kodol Dyspepsia Cure. It digests what you cat, so that you can eat all the good food you want, without any distress after eating. "After forty years of suffering from indigestion, a few bottles of Kodol Dyspepsia Cure cured me."—Amzi Bell, Fredonia. Pa.

It can't help but do you good
Prepared by E. C. DeWitt & Co., Chicago. The \$1. bottle contains 2% times the 50c. size.

When you need a soothing and healing application for piles, sores and skin diseases, use DeWITT'S Witch Hazel SALVE. Beware of counterfeits. Sold by E.S. Leadbeater & Sons.
